## Financial Policy

### Our Commitment

Northwest Dental Elm St is committed to the highest quality dental care possible, offering affordable services with maximum payment flexibility. Before treatment is undertaken we will consult with you so that you fully understand the need, the procedures, and the expense of your dental treatment. Together, we will implement the best plan for your dental care. In order to achieve this, we need your understanding of our payment policy.

### Payment Options

Payment is due at the time services are rendered unless other arrangements have been made in advance. In all cases, payment in full is required at treatment completion. For your convenience, we offer the following options:

- **5% Cash or Check Discount**  
Patients who pay their entire bill by cash or check at the time services are rendered (whether they have dental insurance or not) will receive a 5% reward. We will assist patients with dental insurance by filing their claim and we will instruct the insurance company to reimburse the patient directly.
- **VISA, Master Card, Discover or American Express**
- **Dental Insurance**  
It is important to understand our relationship is with you, not your insurance company. Additionally, our fees are the same for all patients regardless of their insurance coverage. We will present a treatment plan and an estimate of expenses, if needed, after the patient examination. Estimates are based upon available insurance information and do not guarantee payment by your insurance company. We will bill your insurance company as a courtesy; however, co-payments and deductibles are due at the time of service. Patients with dual insurance should know that they are not guaranteed 100% coverage. Fees not covered by insurance are the patient's responsibility.
- **Care credit Financing Option**  
Care credit is a nationally recognized credit provider that specializes in assisting individuals with financing for their dental care. Care credit provides patients with interest free payment plans as well as extended payment plans for patients who prefer more time to pay. Patients may be approved for Care credit within a couple of minutes at our office. More information about using Care credit may be obtained from the Northwest Dental Elm St staff. In all cases, approval for Care credit should be arranged prior to treatment

### Senior Reward

We are pleased to extend a 5% discount to our senior patients (62 years and older) regardless of payment method. Please note that this cannot be combined with the cash discount.

### New Patient Emergency Appointments

We request payment at the time of service for new patient emergency procedures. We will accept cash, personal checks and money orders for new patient emergency appointments.

### Broken Appointment Policy

We anticipate that all patients will keep their scheduled appointments and we will make a reasonable effort to help them do so. However, situations do arise which may cause a patient to reschedule. We will gladly reschedule appointments, but we require 24 hours advance notice. Patients who fail to attend their appointments and have not provided us with 24 hours advance notice will be charged a \$50 broken appointment fee. In addition, patients who arrive late for their scheduled appointment time may have to forfeit their appointment and may be subject to the broken appointment fee.

### Acceptance of Terms

I have read and fully understand the above financial policies and agree to the terms outlined herein.
